

RICH WALKER

Rich Walker

"The 9,647th Biggest Name In Show Business"

Rich Walker is a 14-year veteran of quality stand up comedy and one of the most versatile performers we have today. He has been seen performing at some of the country's top comedy clubs, colleges, venues & benefit events. Rich has been delighted & honored to share the stage with some of show business's biggest names such as Ray Romano, Kevin James, Bobby Collins, Joey Kola, Jimmy JJ Walker & Johnny Maestro the Brooklyn Bridge.

Rich might be a familiar face, as he has written and starred in several television commercials. He has appeared on Cablevision's *News12* and the New York Times has enlightened us with his story. He is also a proud co-founder and current professor of Stand-Up University, a school designed for the teaching of fine Stand-Up Comedy on Long Island.

A true blue modern day Entertainer! Rich makes fun of the everyday predicaments we all get ourselves into, from odd shopping situations to marriage & babies. In Rich Walker you'll see a little Lou Costello with a twist of Buddy Hackett. He's a throw-back to when showbiz performers were "fun loving" entertainers. Delighting audiences with tongue-in-cheek impressions, comical dance moves & singing, he holds a great likeability with the young & old.
